# a lifetime experience @ HMIU

International Relations Office of Hellenic Mediterranean University

## History of HMU

The Hellenic Mediterranean University (HMU) evolved out of the Technological Educational Institute of Crete (TEI) after 36 years of development and expansion, with over 10.000 students and 250 Academic and administrative staff. It now offers Undergraduate, Postgraduate and Doctoral Studies in 11 Departments in five Faculties in five Cities on the North Coast of Crete, strategically and internationally located in the Eastern Mediterranean between the Continents of Europa, Asia and Africa. HMU is now also a member of the European University "ATHENA" (Advanced Technology Higher Education Network Alliance) funded by Erasmus+ and Horizon 2020.

In Crete, you can admire the remnants of brilliant civilizations, explore glorious beaches, impressive mountains capes, fertile valleys and steep gorges, and become part of the island's rich gastronomic culture. Crete is, after all, a small universe teeming with beauties and treasures that a lifetime might not be enough to discover. For sure Erasmus at HMU is an experience for a lifetime.

awards

## Lessons provided in English

The International Relations Office IRO-Academy is the Academic Part of the Office:

1. Offers Modules in English with scientific and cultural research topics to all Erasmus students.
2. Runs colloquial talks in English within the framework of Sci-Café Action, with contributions from HMU scientists but also from scientists from our International Network in technological and cultural research topics. The Talks are appropriate for general audience (students and academics).
3. The modules currently offered in the autumn semester from IRO-Academy are:

### Soft and Research Skills Development (5 ECTS)

Associate Prof. K. Petridis, Academic Director of IRO, HMU

### Principles of Management, Leadership and Mindfulness (5 ECTS)

Assistant Prof. A. Tzortzaki, Business School

### An Introduction to the History of Crete & Hellas (3 ECTS)

### Modern Greek (A1/A2) (2 ECTS)

### English for Academic Purposes (C1/C2) (2 ECTS)

### An Introduction to Philosophy, Past, Present, & Future (3 ECTS)

Dr. Gareth Owens - IRO-Academy, HMU
