

HELLENIC MEDITERRANEAN UNIVERSITY

International Relations Office

INFORMATION SHEET 2026

Address	Main campus at Estavromenos, 71410 Heraklion Four more campuses across Crete	
Institutional code	G KRITIS05	
Language of instruction	Greek and English	
Websites	https://hmu.gr https://iro.hmu.gr	
Academic calendar	<u>Winter semester</u> : Online Nomination / Application Deadline: May 31 st ; Welcome Week & Course Registration: September; Duration October to February <u>Summer semester</u> : Online Nomination / Application Deadline: November 30 th ; Welcome Week & Course Registration: February; Duration February to June	
Fees	Free	
Cost of living	Single room flat: 150-250 € Subsistence: 300-350 €	
Accommodation/housing	Some availability of single rooms at the Residence Halls (120 €/month). Contact Dr. Owens prior to arrival. ESN network aids in finding rentals.	
Insurance	Proof of health insurance is required. EU students can provide a copy of their European Health Insurance Card (EHIC). Internship student must also arrange for (a) third-party liability insurance and (b) personal accidents insurance. Primary health services provided on campus.	
Greek language courses	Lectures (3 hours per week), seminars (once per two weeks), and workshops providing 2-3 ECTS	
Grading scale	8.50 - 10.00: A/Excellent; 6.50 - 8.49: B/Very Good; 5.00 - 6.49: C/Sufficient; 0 - 4.99: F/Fail	

IRO Academic Coordinator	Asst. Prof. Ioannis Daliakopoulos +30 2810 379482 idalia@hmu.gr	
Incoming students/staff & IIAs:	Dr. Gareth Owens, IRO Director +30 2810 379312 ogareth@hmu.gr	
Incoming KA171 students/staff:	Ms Kristina Giatsina, Administrative Staff +30 2810 379174 kristinag@hmu.gr

Forthcoming Blended Intensive Programs

Emerging Materials and Applications

Coordinator: Prof. Kostas Petridis (cpetridis@hmu.gr)

From 23-2 to 27-2-2026, Heraklion Campus

The aim of this BIP is to provide an introduction on the fundamentals of emerging materials (e.g., 2D materials, Perovskite Semiconductors, Metal Oxides) and their various applications in energy harvesting, energy storage and sensors.

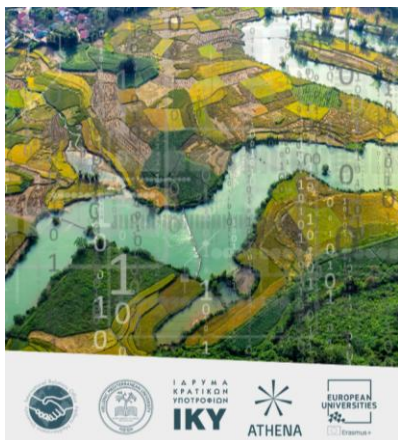

Interdisciplinary collaboration - solving industry challenges

Coordinator: Prof. Georgios Papadourakis (papadour@hmu.gr)

From 16-2 to 20-2-2026, Heraklion Campus

Students will learn to organize in teams and discuss on eye-level with project givers (e.g. industry partners) about project management, especially briefings and timelines. This will give them a perspective on how real-world projects are managed and provide them with knowledge about the positive and negative sides of their own approach in business negotiations.

From Data to Decisions: Remote Sensing and Machine Learning for Agro-Environmental Problems

Coordinator: Asst. Prof. Ioannis Daliakopoulos (idalia@hmu.gr)

From 14-9 to 18-9-2026, Rethymno Campus

Students will gain hands-on experience in solving real agro-environmental problems by working in teams on satellite- and data-driven case studies. They will learn how to acquire, process, and analyze Earth observation and meteorological data, translate stakeholder needs into analytical workflows, and manage projects under realistic time constraints.

HELLENIC MEDITERRANEAN UNIVERSITY

International Relations Office

INFORMATION SHEET 2026

Courses offered in English

Department of Accounting & Finance

Erasmus Coordinator: Asst. Prof. Dimitrios Vortelinos (dvortelinos@hmu.gr)

- | | | | |
|---------------------------------------|-----|--|-----|
| • Financial Risk Management | W/S | • Special Topics in Financial Management | W/S |
| • Corporate Finance II | W/S | • Corporate Finance I | W/S |
| • Derivatives Products & Hedging Tech | W/S | • Microeconomics | W/S |
| • Portfolio Management | W/S | • Macroeconomics | W/S |

Department of Business Administration & Tourism

Erasmus Coordinator: Asst. Prof. Nikolaos Trichas (ntrichas@hmu.gr)

- | | |
|-----------------------------------|-----|
| • Destination Branding | W/S |
| • Food and Beverage Management | W/S |
| • Sustainable Tourism Development | W/S |

Department of Nutrition & Dietetics Sciences

Erasmus Coordinator: Tsikalakis George (gtsikalakis@hmu.gr)

- | | | | |
|---|-----|--|-----|
| • Food Chemistry and Analysis | W | • Env. Resources and Food Production | W/S |
| • Nutrition and Metabolisms II | W/S | • Nutritional Supp. and Supp. Medicine | W/S |
| • Food Microbiology and Hygiene | W/S | • Food Processing and Quality Control | S |
| • Clinical Nutrition II | S | • Nutrition Through the Lifecycle I | W |
| • Nutritional Epidemiology | S | • Nutrigenetics-Nutrigenomics | W |
| • Traditional Diet patterns & Cretan Diet | W | | |

Department of Social Work

Erasmus Coordinator: Asst. Prof. Zacharoula Kasseris (kasseriz@hmu.gr)

- | | | | |
|-------------------------------------|---|---|-----|
| • Domestic Violence and Social Work | W | • Field-based practice in Social Work II | W/S |
| • Asylum and Migration in EU & Med | S | • Field-based practice in Social Work III | W/S |
| • Interpersonal Rel. & Well-Being | S | • Community-Based Particip. Research | W |

Department of Nursing

Erasmus Coordinator: Assoc. Prof. Michalis Zografakis (mzografakis@hmu.gr)

- Nursing Practice in Hospital (Intern.)

HELLENIC MEDITERRANEAN UNIVERSITY

International Relations Office

INFORMATION SHEET 2026

Courses offered in English

Department of Electrical & Computer Engineering

Erasmus Coordinator: Prof. George Papadourakis (papadour@hmu.gr)

• Knowledge Representation and Reasoning for the WWW	W	• Advanced Topics in Educational Technology	W
• Embedded Systems	W	• Advanced Topics in Usability Evaluation	W
• Electronics I	W	• Advanced Topics in Artificial Intelligence	W
• Parallel Processing and Systems	W	• Advanced Embedded Systems	W
• Advanced Biomedical Engineering Topics	W	• Internet Multimedia and Computer Graphics	W
• Data and Information Visualization Systems	W	• Broadband and Next Generation Networks	W
• Internet Technologies	W	• Collaborative Technologies and Systems	W
• Advanced Topics in Networking	W	• Optical Communications	W
• Advanced Topics in Multimedia and Computer Graphics	W	• Advanced Topics in Biomedical Informatics	W
• Distributed Systems and Applications	W	• Software Engineering	W
• Computational Intelligence	W	• Algorithm Analysis and Design	W
• Automatic Control Systems II	W	• Power Electronics	W
• Semantic Web	W	• Illuminance Technology	W
• Applied Mathematics	W	• Electrical Machines II	W
• Project Management & Research Meth.	W	• Reliability Engineering	W
• Advanced Topics in Antennas, EMF fields, and Wireless Networks	W	• Modelling of Electronics and Electrical Systems	W
• Internet of Things & Applications	W	• Electrical Drive Systems	W
• Realistic Multimedia and Animation		• Advanced Photovoltaic Devices	W
• Advances on digital imaging and computer vision	W	• Materials and Devices for Storage and Energy Savings	W
• Computer Graphics and Virtual Reality	W	• Advanced Programming Techniques	W
• Advanced Topics in Databases	S	• Big Data	

HELLENIC MEDITERRANEAN UNIVERSITY

International Relations Office

INFORMATION SHEET 2026

Courses offered in English

Department of Electrical & Computer Engineering (continued)

Erasmus Coordinator: Prof. George Papadourakis (papadour@hmu.gr)

• Human Computer Interaction	W	• Realistic Multimedia and Animation	W
• Advanced Tech Electronic Devices	W	• Multimedia Tech: Audio, Image, Video	W
• Topics in Management Info Systems	W	• Agile Software Development	W
• Computer Networks II	W	• Pattern Recognition	W
• Biomedical Technology	W	• Design of Digital Circuits and Systems	W
• New Technologies in Education	W	• Computer Systems Security	W
• Biomedical Informatics	S	• Probability Theory and Statistics	W
• Project Evaluation & Mng Systems	S	• Distributed Systems & Cloud Computing	S
• Computer Architecture	S	• Useability Engineering	S
• Web Applications Assessment	S	• Logic Design	S
• Operating Systems	S	• Neural Networks	S
• Wireless Networks	S	• Television Systems	S
• Computer Organization	S	• Games Design and Development	S
• Electronics II	S	• Power Systems - Transient Analysis	W/S
• Multimedia Communications	S	• Digital Signal Processing	W/S

Department of Mechanical Engineering

Erasmus Coordinator: Prof. Konstantinos Condaxakis (condax@hmu.gr)

• Mechanical Design I	W	• Mechanical Drawing II	S
• Heat Transfer II	W	• Mechanical Design II	S
• Geothermal - Bioenergy - Cogeneration	W	• Statistics and Probability	S
• Buildings Energy Performance Sim	W	• Mechanics II - Applied Dynamics	S
• Mechanical Drawing II	S	• Introduction to Modern Physics	S
• Mechanical Design II	S	• Industrial Systems and Maintenance	S
• Programming for Engineers	S	• Solar Radiation and Applications	S
• Solar Energy & Applications	S	• Optimal Control	S

HELLENIC MEDITERRANEAN UNIVERSITY

International Relations Office

INFORMATION SHEET 2026

Courses offered in English

Department of Department of Electronic Engineering

Erasmus Coordinator: Asst. Prof. George Kakavelakis (kakavelakis@hmu.gr)

• Antennas and Wireless Communications	W	• An Introduction to Laser Physics and Applications	W/S
• Structured Programming	W	• Power Electronics	W/S
• Robotics	W	• Introduction to Plasma Engineering	W/S
• Computer Architecture	W	• Organic Electronics Devices	W/S
• Digital Signal and Image Processing	W	• Digital Image Processing	W/S
• Mobile Communications	W	• Automatic Control Systems	W/S
• Satellite Communications and Systems	W	• Display technologies	W/S
• Scattering, Propagation & Radiation of Electromagnetic Waves	W	• Microwave-Millimeter Wave Communications & Antennas	S
• An Introduction to 3D modeling & 3D printing	W	• An Introduction to Optoelectronics & Optical Communications	S
• Microwave Communications	S	• Electromagnetic Compatibility	S
		• Data Structures	S

Department of Agriculture

Erasmus Coordinator: Asst. Prof. Konstantinos Pascalides (kpaschal@hmu.gr)

• Plant Anatomy & Morphology	W	• Introduction to Agronomy	W
• Genetics	W	• Agricultural Organic Waste Management	W
• Plant Physiology	W	• Introduction to Agricultural Sciences	W/S
• Soil Science	W	• Field Crop Production II	S
• Field Crop Production I	W	• Soil Microbiology	S
• Plant Breeding	W	• Apiculture	S
• Sustainable Management of Biotic Resources in Agriculture	W	• Agricultural Hydraulics	S

HELLENIC MEDITERRANEAN UNIVERSITY International Relations Office INFORMATION SHEET 2026

Courses offered in English

Department of Music Technology & Acoustics

Erasmus Coordinator: Assistant Professor Stella Paschalidou (pashalidou@hmu.gr)

• Programming Envs for Sound & Music	W	• Applied Machine Learning	S
• Sound Design	W	• Structured Programming	S
• Acoustic Ecology and Sound Arts	W	• Electronic Musical Instruments	S
• Audio Software Development	W	• Selected Topics in Acoustics	S
• Multimedia technology	W	• Sound Engineering I	S
• Elements of Music Theory and Notation	W	• Laboratory in Electroacoustics	S
• Sound Engineering II	W	• Historical of Music and Organology	S
• Audio over Computer Networks	S	• Digital music representations	S

HMU-IRO Academy

Coordinator: Dr Gareth Owens (ogareth@hmu.gr)

• Introduction to Project Management	W	• Supervised Semester Project	W/S
• Community-Based Participatory Research (CBPR)	W/S	• Introduction to History of Crete & Greece	W/S
• Business English and Communication	W/S	• Greek Language	W/S
• Soft Skills	W/S	• European Economics	S
• Research Skills	W/S
